

## Cog Wild Tour Bike Shipping

**PLEASE INCLUDE THIS FORM FULLY FILLED OUT WHEN YOU SHIP YOUR BIKE!**

**Please have your bike arrive 3-4 days prior to the start of your tour** (ex: Tuesday arrival at Cog Wild for a Friday tour).

Our mechanic will re-build your bike for the tour and afterwards break it down and re-package it to be shipped home. The price for having your bike re-assembled and re-packed is \$100, which does not include any shipping costs.

**Note:** Cog Wild will re-use the bike box you shipped your bike in, but if it has been trashed, we will use the smallest box we can find from a local bike shop, hopefully 41x11x31 in size. **Bigger size boxes can result in much higher shipping charges.**

**Please ship your bike to:**
